CASTING FOR RECOVERY CANADA

Casting for Recovery Canada is a non-profit organization that relies solely on donations to provide weekend fly-fishing retreats to hundreds of women who have or have had breast cancer every year.

Your contribution will help us expand our capacity to meet the ever-growing demand for our services. Through your support, we will be able to continue to enhance the lives of breast cancer survivors all across the country by providing retreats that promote mental, physical and emotional healing. Your contribution is tax-deductible and a donation receipt is returned to the contributor for the value of the donation as permitted by law.

To send us your contribution, please print and fill out the following form, and mail it with your payment to:
